

French Translated into English

y aller de sa petite larme

to shed a little tear

French Translated into English

ça ne va pas très fort

things aren't too good

French Translated into English

ça va aller mal

there'll be in trouble

French Translated into English

ça va comme ça

it's all right as it is

French Translated into English

les allées du pouvoir

the corridors of power

French Translated into English

se mettre à l'alignement

to fall into line

French Translated into English

ça va, ça vient

luck comes and goes

French Translated into English

à bonnes enseignes

deservedly

French Translated into English

aux alentours de 5 heures

round about 5

French Translated into English

aux alentours de 5 heures

some time around 5

French Translated into English

la chance, ça va ça vient

you win some and lose some

French Translated into English

où-va-t-on?

What's the world coming to?

French Translated into English

affecter

to allocate, to allot, to set aside for

French Translated into English

arriver à deux mots de suite

to string two words together, to
to string a sentence together

French Translated into English

c'est de la littérature alimentaire

these kind of books are just potboilers
(written only for financial gain)

French Translated into English

où-allons-nous?

What's the world coming to?

French Translated into English

ahaner

to grunt or strain with effort

French Translated into English

cela a alimenté la conversation

it gave us something to talk about

French Translated into English

ces fait vont alimenter notre réflexion

these facts will provide food for
thought

French Translated into English

avec l'argent, ça va ça vient

when it comes to money, it's
easy come, easy go

French Translated into English

je vais rentrer chez moi

I'm going home

French Translated into English

rester alité

to be confined to one's bed

French Translated into English

ça va sans dire

it goes without saying

French Translated into English

y aller de ses économies

to dip into your savings

French Translated into English

l'oblige à de constantes allées et venues

he has to shuttle back and forth
(from one area to another)

French Translated into English

l'oblige à de constantes allées et venues

keep him on the run or
running about

French Translated into English

ça va tout seul

it's easy

French Translated into English

ça va pas, non?

are you crazy, nuts, mad or
out of your mind?

French Translated into English

ça va tout seul

(British English/informal) it's
a doodle

French Translated into English

y aller de sa personne

to pitch in

French Translated into English

ça va tout seul

(informal) it's as easy as pie, as
one, two, three or a piece of pie

French Translated into English

ça peut aller

could be worst

French Translated into English

tenir à ses aises

to like one's creature comforts

French Translated into English

ça ira

could be worst

French Translated into English

j'y vais

I'll get it

French Translated into English

j'y vais

I'm going

les classes aisées

the rich, wealthy, well-off

French Translated into English

j'y vais

(British English) I'm off

French Translated into English

affecter grands airs

(other expressions) to make a show,
to do for effect

French Translated into English

ça va, ça peut aller

(quantity) that'll do, that's
enough

French Translated into English

ça va, ça peut aller

(quantity) it'll do

French Translated into English

si ça va pour toi, ça va pour moi

if it's okay by or with you, it's
okay by or with me

French Translated into English

ahurir

to stun, to amaze, to dumbfound,
to astound, to astonish

French Translated into English

ça te va bien de faire la morale

you're hardly the person
to preach

French Translated into English

avoir un coup dans l'aile

to be worse for the drink

French Translated into English

où-va-t-on?

What are things coming to?

French Translated into English

si tu vas par là, rien n'est entièrement vrai

If you take that line or position,
nothing is entirely true

French Translated into English

aller et venir

to run in and out

French Translated into English

à bonnes enseignes

on sure ground

French Translated into English

aller falloir les aligner

(to pay a high price) will set you
back or cost an arm and a leg
